“Where the Legend Rests, the Legacy Lives On!”

Announcing our 1st Annual “Pete Dye Society Legacy Classic”, to be played at the world-class Casa de Campo Resort in the Dominican Republic!

Casa de Campo held a special place in Pete Dye's heart, having designed 4 courses on the property. Pete loved it so much that the latter half of his life he made it his permanent residence. The most famous of his designs is the Teeth of the Dog—consistently rated in the Top 100 courses globally (and where Pete's remains are buried next to hole #8).

The Legacy Classic will include an 18-hole practice round (Teeth of the Dog), a non-competitive ‘fun’ round (Dye Links), and a 36-hole tournament playing two different courses (Dye Fore and Teeth of the Dog).

For golfers who wish to travel with non-golfers—not a problem! The Casa de Campo Resort has something for everyone, not just for golfers!

The Pete Dye Society is proud to partner with Casa de Campo to present this unique golfing experience to its members!

Dye Fore: Rated the 5th best course in the Dominican (and 17th in the Caribbean), this hidden gem has wide fairways, tough Dye green complexes, and sweeping views of the Chavon River and Casa de Campo Marina!

Dye Links: Rated the 10th best course in the Dominican (and 40th in the Caribbean), this favorite of locals will test you with Dye's routing through inland lakes.
